Harvest Check Requirements: Hunters must check harvested deer by calling (toll free) 1-800-CHK-GAME or 1-877-245-4263 from any touch-tone telephone. The state park will be listed under “county” and “public land hunting.” There is no manned check station, do not bring deer to the front desk or lodge!

Bag Limit: This is a quota hunt in a zone 1 county. With valid hunting license and deer permit, a person may take two (2) deer, only one of which may be antlered. A person may take no more than one antlered deer per season. Quota hunters in zone 1 counties may take unlimited antlerless animals with valid additional deer permits. Antlered deer count towards statewide limit.

Office Phone Number: Lake Barkley lodge – (270) 924-1131

Notes: Landowner license exemptions do not apply on this hunt. Hunters who fail to sign in or out (or who violate other hunt requirements) will be blocked from applying for any quota hunt next year, and will lose accumulated preference points.

Special Restrictions:

Hunters must keep vehicle tag on dashboard for the duration of the hunt. One vehicle tag per drawn hunter will be provided at sign in.

Hunters may only clean deer at designated cleaning station (see map). Harvested animals may be field dressed but parts and pieces may not be left in open or mowed areas. Hunters may not use mechanisms to hang deer which damage trees.

Deer carcasses may be left in forested areas, out of sight of roads and public use areas. Do not leave carcasses behind lodging facilities, next to roads, or where other state park visitors may see them!

Four-wheelers, ATVs, and other utility vehicles are prohibited on park property. Hunters may use hand carts to hike harvested deer out from the field. Do not drive vehicles off maintained roads.

Hunters may not use tree stands except portable stands. Climbing spikes or other devices which nail or screw to the tree are prohibited. Tree stands may not be left unattended for more than 24 hours, and must be removed from park property at the end of the hunt.

Hunters may not discharge a firearm within 100 yards of maintained roads or buildings.

Hunters are required to get permission from surrounding landowners before crossing property boundaries to access park land or retrieve downed deer. Please respect the property rights of adjacent landowners and do not trespass!

It is the responsibility of the hunter to stay within park boundaries when hunting! State park administrators will provide hunters with a map of park boundaries, including approved hunting areas.

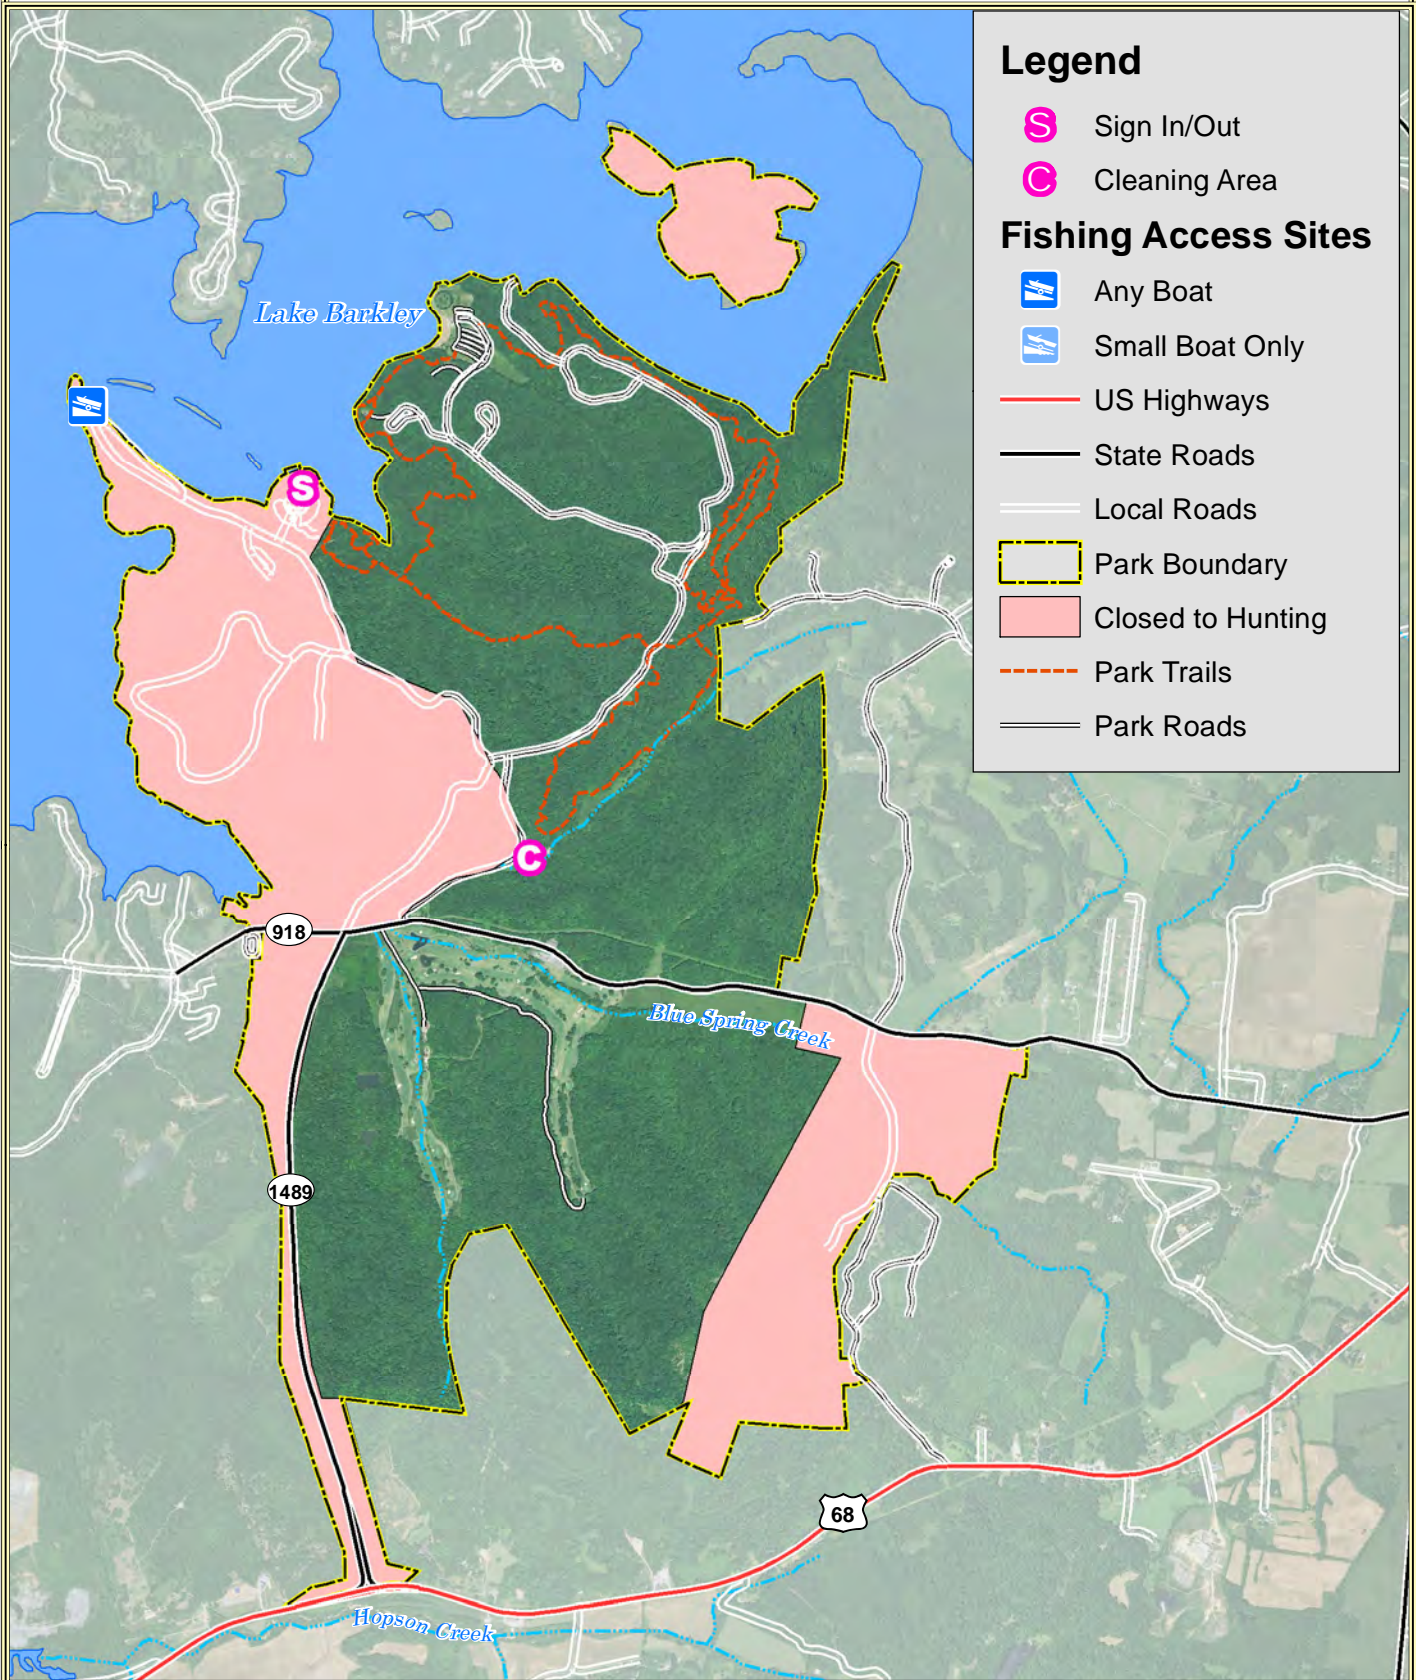

Hunters may scout the area any time prior to the hunt that the park is open. The Department of Parks is not responsible for monitoring blinds or other equipment. Hunters may not “reserve” a hunting space or zone.

Please be courteous of other state park visitors! Non-hunters will be present on park during the course of the hunt. Be discreet and respectful of the sensitive nature of hunting. Please make every effort to conceal harvested animals during transport.
