

Welcome To Eagle Watch Weekends

Before you know it, the brisk winter season will be upon us. During this time the frozen waterways in the northern U.S. and Canada bring North American Bald Eagles south in search of more ample food sources. Kentucky State Parks takes this opportunity to arrange special field outings to view this majestic bird in the wild. In addition, programs are planned that will offer the opportunity to see and learn about live birds of prey from expert speakers.

Kentucky State Parks, in cooperation with the Kentucky Department of Fish and Wildlife Resources are pleased to continue our Eagle Watch Weekend events at Kentucky Dam Village, Kenlake, and Lake Barkley. For over 40 years Eagle Weekends have been devoted to the observation, education, and conservation of our national symbol.
