### [Columbus-Belmont State Park](#)

350 Park Road  
Columbus, Ky. 42032

Columbus-Belmont State Park is a 156-acre site that played a fascinating role in the War Between the States. This is the site of a fortification build by the Confederates and later occupied by Union forces. The 1861 Battle of Belmont, fought to overtake the Confederate stronghold here, marked the opening of the Union's Western Campaign. It was also Union General Ulysses S. Grant's first active engagement in the Civil War. Some of the artillery, which shelled the Union troops, and the six-ton anchor that held the great chain stretching across the river, are on display in the park. There is a 2.5-mile self-guided hiking trail in the Park. Dramatic images of the Civil War come to mind when walking on the bluffs and massive earthen works that formed the Confederate trenches. Students of all ages can learn about the area and the Civil War in the Civil War Museum. The park has a snack bar, gift shop, miniature golf, a picnic area and playground with shelters that are available for rental up to one year in advance. The museum is open daily May through Labor Day and on weekends through mid October. It is open by appointment throughout the year. Program fees per student vary per activity. The gift shop, snack bar, and mini golf are open daily May through Labor Day and weekends in September. Don't forget that the second weekend in October is the 150th Anniversary "Civil War Days" event.. We have education day on Friday with special rate and activities for students. Call 270-677-2327 for information.

### [E.P. "Tom" Sawyer State Park](#)

3000 Freys Hill Road  
Louisville, KY 40241

Are you looking for something different? We have special programming for school groups, corporate/ civic/ and private associations, and scouts. Let us help tailor nature hikes, hands-on science programs, archery parties, gym activities, arts and crafts, scavenger hunts, and teambuilding programs to meet the needs of your group.

Teachers, this is not your ordinary field trip! We can offer activities focused on what you are learning in class, so that each trip is a fun lesson learned! Need to learn about water quality? Take a Stream Stroll or a Pond Prowl with our Park Naturalist. Learning about habitats? Let's walk through our beautifully, natural park to discover the variety of habitats that are found here and what critters call them home. What about a local history lesson? We'll venture into the woods looking for clues of the parkland's past uses. Get the kids out of the classroom and let us take over the teaching. We have created programs that consist of science, history, and math for all age groups. Let our Recreation staff, trained in Project WILD and Project Learning Tree, amuse and educate your students through a variety of curriculum aligned activities. Program fees per student vary per activity. Contact the park's interpretive staff for more information. Call Nick, Lora, or Andy at (502) 429-7270.

### [Fort Boonesborough State Park](#)

4375 Boonesborough Road  
Richmond, KY 40475-9316

At Fort Boonesborough, we seek to engage students in the daily lives of early settlers on the Kentucky frontier. Through presentations of the daily chores and life skills necessary for survival, interpreters in 18th century clothing assist students in learning about and understanding frontier life. The park also hosts special "school days" throughout the year at the Fort. In November of each year, we present a week of intense, hands-on Living History programs, involving students physically as well as mentally in six stations where they are engaged for 20 minutes at each. The smell of wood smoke or a fresh split of cedar wood, the sounds of a spinning wheel, a loom, or the blacksmith's hammer, the texture of different tree barks, wool, linen, or leather, all help to bring the history to life today.

A new Teacher Resource CD is available at no charge to teachers when they schedule a field trip to the Fort. This includes a map and directions to the Fort, a guide for touring, pre- and post-visit suggestions, and a short list of Social Studies and other links to KDE Core Content For Assessment. There are also photos, video clips, and audio to present more detailed information about a field trip to Fort Boonesborough. Field trips may be scheduled for April 1 through October 31 by calling 859-527-3131 x216. Group rates for 10 or more are \$3 for students, with one teacher or chaperone free for every 20 10 students. Bus drivers are admitted free, and any additional adults in the group are \$4 6 each. In an effort to continue our mission as an educational resource for Kentucky schools, Fort Boonesborough State Park also has an outreach program designed to make frontier Kentucky Living History available on-site to schools. The program allows for a variety of topics relative to the grade level, group size, location, indoor/outdoor, and other factors. Topics and activities will be concentrated on Frontier Kentucky in the 1760 - 1790 period. Dressed in clothing of the period, interpreters will discuss and demonstrate implements and skills necessary for daily living and survival on the frontier. Many of the activities will also present the opportunity for students to experience hands-on participation in the program. We seek to present material that is useful in relation to the Core Content for Assessment for several academic subjects. The program lasts approximately 2 hours. For more information call Fort Boonesborough at 859-527-3131 ext. 216 or email Bill Farmer at [ftboone@bellsouth.net](mailto:ftboone@bellsouth.net)

### [General Butler State Resort Park](#)

1608 Highway 227  
Carrollton, Ky. 41008-0325

A fitting tribute to one of Kentucky's foremost military families; named in honor of General William Orlando Butler, the family's military fame spans from colonial time through the American Revolution, the War of 1812, the Mexican War and the Civil War. General Butler State Resort Park is a full-service resort, that's ready to meet your educational and recreational needs. We accomplish this by clearly establishing a personal classroom activity schedule based on your school's core content needs. A visit to General Butler could be either day, or an overnight stay. An example of a day visit may include activities such as: nature based arts & crafts, nature hikes, archery, touring Butler-Turpin State Historic House, educational performers presenting programs on wildlife, Kentucky history & people, playing a round of mini golf, or learning how to become a team player by participating in teambuilding activities. Your overnight stay would center on the concept of LEAVE NO TRACE. Activities are educationally based and dedicated to the responsible enjoyment and active stewardship of the outdoors, and one's personal impact. Many other outdoor programming opportunities can play suit to the theme of LEAVE NO TRACE; such as: astrology, astronomy, teaching outdoor sportsman skills- make a request we'll accommodate by providing quality programming that meets your needs. To plan your visit, call Tanya Supplee, Parks Program Service Supervisor, to book a visit call Andrea Johnson, Group Sales Coordinator, both can be reached at General Butler State Resort Park direct line #1-502-732-4384.

### General Butler State Resort Park

#### [Butler-Turpin State Historic House](#)

The Butler-Turpin State Historic House located at General Butler State Resort Park is steeped in military heritage from Colonial times through the American Revolution, the War of 1812, the Mexican War and the Civil War. The field trip experience will also give students an understanding of the contributions of the Butler slaves and their connection to the Underground Railroad. Along with the historic house and summer kitchen built in 1859, is the archaeology display from the first generation log house and Butler-Turpin slave quarters, the Butler Family Cemetery and the farm known as Butler Hill.
