

BIG BONE LICK

Kentucky State Historic Site and National Natural Landmark

Permanent Course at Big Bone Lick:

Controls 1 to 9, visited in sequence, provide a beginner level introduction to orienteering. Some trail sections are steep and rocky. Controls 10 to 20 are of intermediate to advanced difficulty and may be visited in any sequence.

All park rules and regulations must be followed. In the campground area, please avoid passing through occupied campsites or disturbing campers and other visitors.

Bison are dangerous! Do not climb fences or approach the fence surrounding the bison enclosure.

Markers are brown composite posts with a "Kentucky Orienteering Trail" logo and a number matching the one on this map. Please report any missing or damaged markers to the park office or to Mike Minium, mikeminium@aol.com

Orienteering is a recreational and competitive sport for people of all ages. It involves finding your way through unknown terrain with a map and compass. Using a detailed topographic map as your primary tool, and a compass to stay oriented, you try to select and follow the best route between specified points.
